Extreme Slap Bass

Welcome to the first edition of Extreme Slap Bass! This book is the result of two years of work When I originally started, I had no idea how large the finished product would turn out to be (The original manuscript is over 50 pages long, and contained 2 CDs of examples!) For that reason, I have chosen to release it on CD-ROM The CD contains the book (in PDF Format) with 175 examples (in both

Bass Slapper User Guide - synthmanuals.com

Slap Bass, or "Slapping," is a bass-playing technique that focuses on the percussive nature of the sounds generated by a string rebounding against the frets Bassists use the side of their thumb to strike the strings and their index or middle fingers to pull the strings and bounce them against the frets, resulting in a sharp attack followed by a quick decay This, in some ways, resembles
