Exercises - uCoz

The Vocal Exercises are a compilation of exercises that I have used over the years in my vocal studio, for choirs I have directed, and for personal use These exercises are as effective for choirs as much as they are for the individual singer because they are based on the premise that the foundation of good blend is in establishing similar proper vocal technique and tone models The exercises

Pentatonic Patterns Sample - Better Sax

The goal is to develop smooth and steady technique and play in sync with the metronome or backing track Gradually increase the tempo by 2 bpm as you master the pattern over the range of your instrument Once you are fluent in a particular pattern and can play eighth notes at a brisk tempo, say 120 bpm, try setting the metronome back to 60 and playing the same pattern in 16th notes Gradually
