problems of entrepreneurs in the two countries In the case of Nigeria, access to finance, political instability, technological set back, marketing problems, and infrastructural issues were major problems to entrepreneurship developments While in Sweden, the respondents only complained of not making huge profits due to the high tax rate

### **Social Entrepreneurship - Jeffrey Robinson PhD**

Social entrepreneurship has the potential to bring an interdisciplinary array of actors together leading to various boundary-spanning research and practical activities. The result of such boundary-spanning is the rearrangement and recombination of the existing organizational forms and roles. This hybridization of organizational forms and roles follows the law of requisite variety: difficult

### **A Note on Social Entrepreneurship: Scopes and Objectives**

The challenges of finding effective and sustainable solutions to many social problems are substantial, and solutions may require many of the ingredients associated with successful business innovation of the constellation of problems associated with long-term poverty; such problems often demand fundamental transformations in political, economic, and social systems (Alvord et al, 2004). Some

### **A Theory of Social Entrepreneurship**

social entrepreneurship is the pursuit of sustainable solutions to problems of neglected positive externalities. I further discuss when areas of positive externalities are likely to be neglected by other institutional actors. I also derive the central logic of action of social entrepreneurs as one of empowerment, as opposed to the traditional

### **SOCIAL ENTREPRENEURSHIP: WHAT EVERYONE NEEDS TO KNOW**

Social entrepreneurship has grown into a global movement that is producing solutions to many of the world's toughest problems and transforming the way we think about social change. David Bornstein, author of the internationally acclaimed book *How to Change the World*, and Susan Davis, a thought leader in international development and civil society innovation, offer the first general overview.

### **SOCIAL ENTREPRENEURSHIP TRAINING MANUAL**

The Social Entrepreneurship Training manual is created to raise awareness on social entrepreneurship and to give the tools to create innovative businesses and those related to the social sector. This takes place at a specific education stage of the vocational education, where students start thinking of their future at work. At the same time, the training will help to develop students' p

### **A Positive Theory of Social Entrepreneurship**

creating social value by providing solutions to social problems" (Dacin and Dacin 2011). Clearly, a rigorous definition of social entrepreneurship should avoid using the word "social". Second, I aim to develop a positive theory of social entrepreneurship, not a normative one. If we take social entrepreneurship as a context (Dacin et al 2010), we need to subjectively assign a normative

### **Social Entrepreneurship, Social Intrapreneurship, Social ...**

neurial solutions to solve social problems. In addition, Zhu, Rooney, and Phillips (2016) proposed a curriculum matrix that enables students to acquire the necessary knowledge and skills for balancing the tension between addressing social welfare through social entrepreneurship while ensuring financial viability of the innovative idea.

### **Personality Trait Differences between Traditional and ...**

suggests that social entrepreneurship research has not been well served by the many terms and definitions adopted by researchers and policy makers. For the purpose of this research, the social entrepreneur is considered to be one who seeks to maximise social value or social capital from non-profit pursuits, creating economically sustainable solutions for social problems (Tracey and Phillips).
